Who We Are

If you ask any ESAAL member to describe their experience with us, you will probably hear about our accessibility, level of support, and the tremendous value we provide. ESAAL is the only association that exclusively represents the assisted living provider network in NYS and is widely recognized by government and other stakeholders as the voice for assisted living.

One of our most remarkable characteristics is that we pride ourselves on relationships – creating them and cultivating them. Our annual conference reflects that pride, providing an opportunity for valued professionals in our field to learn, share, and get better at what they do.

As a partner with us, in whatever capacity you choose to be involved, we commit to bringing you that same level of value and support. You can count on us for a worthwhile experience that results in lasting business relationships.

The upcoming annual conference will take place **May 1-4, 2023** at Turning Stone Resort in Verona, NY.
